AVENUE FORM CAFE TABLE

Tables » Dining Height Tables

Compact, durable solution for café and breakout areas. Softened radii and clean profile that echoes the entire Avenue Form collection bring cohesion to public spaces and hospitality settings.

Description	Avenue Form Café Table offers a compact, durable solution ideal for café and breakout areas, supported by reliable outdoor performance. Avenue Form Café Table continue the collection’s refined design language in a more compact, social format. Defined by softened radii and a clean architectural profile it brings cohesion to breakout zones, terraces, and hospitality settings. The rounded edge detail echoes the broader Avenue Form range, ensuring visual continuity across mixed seating environments. Designed to support informal dining and high turnover use, the café table anchors conversation while the matching stool delivers a balanced, ergonomic perch. Together, they create lightweight yet structured settings that activate edges, encourage pause, and add rhythm to outdoor spaces. Designed and manufactured in Australia, the café range is built for the demands of active public environments. Durable aluminium construction and a considered palette of powder coat finishes ensure long term performance, resilience, and seamless integration within the wider Avenue Form collection.
