TERRAIN PLINTH SEAT

Seating » Seats

Contemporary wall-mounted seating with backrest. Trapezoidal, hardwood battens in colours. Sleek steel frame in zinc-primed powder-coat finishes.

Description	The juxtaposition of solid, hardwood battens and a sleek steel frame is unified with trapezoidal design elements that add strength and visual appeal to the Terrain plinth seat. Finishes include hardwood and zinc-primed powder-coat colours. Terrain is a high-quality collection that adds a robust, contemporary feel to public spaces.
How to Specify	Select your batten finish Select your frame finish
Sustainability	Certified Hardwood All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system. Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable. Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).
Powder Coat	Core Solid Textured Signature Bold
Dimensions	2100mmW x 630mmD Recommended installed seat height: 440mmH
Batten Type	Hardwood
Frame	Hot-dip galvanised or zinc-primed powder-coated steel
Made In	Australia
Lead Time	6-8 weeks

Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Fixed by others to an existing plinth. Anchors not included.
Care Instructions	<u>Hardwood</u> Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Oiling Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour. To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required. <u>Powder-Coat</u> Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Additional Comments	Hardwood is treated with a UV-resistant oil finish.
