Timeless post table design. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in powder-coat finishes or polished.

Description	Urban Post Table extends the Urban range with a matching design for group dining, study or rest spaces. Its cast aluminium frame supports a durable tabletop in hardwood, Duraslat™ XG or aluminium, offering strength and elegance in equal measure. Choose from hardwoods, Duraslat™ XG or aluminium colours, and powder-coat finishes or a polished aluminium option to complement any outdoor setting. Urban Post Table in select finishes is part of b+g's Essential Collection delivering favourable pricing and leadtimes. Select from Polished Aluminium and battens in hardwood blackbutt or Duraslat™ XG to qualify. <i>*Also available in alternate batten finishes (non-essential), though lead times will vary depending on your selected finish.</i>
How to Specify	Select your length Select your batten finish Select your frame finish Select your fixing type
Sustainability	Certified Hardwood All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system. Recycled Materials We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable. Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials. Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Lead Time	Essential Collection Finishes 2-3 weeks All Other Finishes 4-6 weeks
Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Post fixed by others - surface, sub-surface or core-holed. Anchors not included.
Care Instructions	<u>Hardwood</u> Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Oiling Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour. To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required. <u>Duraslat™ XG</u> Cleaning Simply wash down occasionally. Do not use high pressure cleaners. <u>Powder-Coat</u> Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Additional Comments	Opt to add umbrella hole + flange or outdoor power and GPOs to make your settings flexible outdoor working zones, ideal for universities and schools.
