URBAN PLINTH SEAT

Seating » Seats

Timeless wall-mounted seat. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in powder-coat finishes or polished.

Description

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood, Duraslat™ XG surfaces or aluminium surfaces to offer a timeless Urban plinth seat. It is a great solution for low walls to add comfortable seating zones. Optional armrests allows for easier access for elderly or mobility restricted members of the community, and also helps to obstruct skateboarders. Alternate with the Urban plinth bench to provide backed and backless alcoves. Finishes include hardwood or Duraslat™ XG colours and powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

How to Specify

Select your length
Select your armrest style and quantity (optional)
Select your batten finish
Select your frame finish
Select your fixing type

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG

Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

5-year warranty. View the [warranty](#) for more details.

Additional Comments

In the Hardwood finish, this seat can be ordered with Urban accessible armrest to meet the guidelines of Australian Standards 1428.2, and with correct installation and plinth setback, will aid in achieving project DDA compliance. For more detail follow the link: [Accessibility info](#). For AS1428.2 seats in other finishes, contact us for more information.

Mid armrests also available.

Local manufacture allows us to tailor the length, use a hardwood species to your custom requirements or Add On accessories such as memorial plaques and skate stoppers.
