Care Instructions	<u>Multipurpose Compact Laminates Laminex®</u> A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners. Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface. <u>Solid Surfaces Corian®</u> Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean. For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge. <u>Powder-Coat Finishes</u> Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	2-year warranty. View the warranty for more details.
Customisable	Custom heights and powder-coat colours available on request. Top plates and construction can be customised to suit table top weight and size.
Additional Comments	Suitable for indoor and covered outdoor use. For use in outdoor and in marine environments, the Stoked fixed table base is available on request.
