BONDI BIN HOUSING DOUBLE

Bins » Bin Housings

Compact double bin housings with hood. Panels in hardwood or Duraslat™ XG and powder-coat finishes.

Description	Bondi Bin Housing Double is a standout from the Bondi Collection, designed to bring style and functionality to outdoor public spaces. Inspired by Australia’s most iconic beach, its compact profile, curved corners, and sleek cut-out details create a modern, refined waste management solution. Featuring a protective hood, it’s ideal for parks, streetscapes, and urban environments. Personalise your look with a choice of hardwood colours or Duraslat™ XG colours, paired with an aluminium frame finished in your choice of powder-coat colours. Whether you’re seeking a clean coastal look or a bold architectural statement, Bondi offers a stylish and practical solution for any outdoor space.
How to Specify	Select your capacity - 80L, 120L, 240L Select your body colour Select your feature panel design Select your feature panel colour Select your fixing type
Sustainability	Certified Hardwood All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world’s largest forestry certification system. Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable. Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials. Low Pollutants Our powder-coating process doesn’t emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Care Instructions	<u>Hardwood</u> Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Oiling Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour. To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required. <u>Duraslat™ XG</u> Cleaning Simply wash down occasionally. Do not use high pressure cleaners. <u>Powder-Coat</u> Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Customisable	Various door panels and an extensive colour selection is available making Bondi flexible to your style. We can customise signage to your requirements.
Additional Comments	Various door panels and an extensive colour selection is available making Bondi flexible to your style. We can customise signage to your requirements. <i>Also available in single size.</i>
